Inflate the fun bounce the world

Company Profile

Established in 2016, Chibe toys ShuYang Co., Ltd. is located in Suqian City, Jiangsu Province, with a production plant of 16000 square meters.

In the past 10 years, we has focused on the production of inflatable PVC Toys & sports toy products.

The factory has passed the inspection of BSCI and the products meet the environmental standards of many countries. We have experience in processing for well-known brands.

Our experienced QC and QA team personal supervise entire process closely from pre-production to final packing. And set up a excellent team with great capability of design, responsible for the marketing research! Gather the information about the relating products, keep up with the trends.

Professional production system makes us the first choice for many customers, and our cooperative customers have spread across Europe, North America, South America and other international regions. We have a stable and reliable quality, and take the road of serialization and professionalism, our objective is a model for the industry!
